

December Altar Server Schedule

All servers should be present in the vestry at least 10 minutes before Mass begins. If you cannot serve when you are scheduled, it is your responsibility to find a sub. If you fail to do so more than 3 times, you may be removed from the schedule moving forward. Thank you for volunteering for this ministry!

When you arrive in the vestry: put a checkmark next to your name if you are present. Initial if you were asked to sub ahead of time for another server. Do NOT write anything if you are filling in last minute because you were asked by a priest, deacon, or teacher before Mass began.
